

Privacy Statement

FFact respects the privacy of all visitors to this website as well as participants in projects, for example when completing questionnaires that FFact uses in the implementation of projects. The data you make available to FFact will always be treated confidentially and used only for the purpose indicated. Processing of personal data is done in accordance with the requirements of the General Data Protection Regulation (GDPR).

FFact has taken appropriate measures to prevent the loss or unlawful processing of your personal data. Your data will be treated confidentially at all times. FFact aims to keep your personal data only as long as it is necessary for the purpose for which the data was made available. If personal data is no longer necessary, it will be deleted in a sound and sustainable manner.

Under the law, you are entitled to access your personal data and to have your personal data corrected or deleted. FFact will do this at your request. You can submit a request by e-mail (info@ffact.nl). Questions can also be asked by e-mail.
